

# JOIN THE MOVEMENT FOR AUTHENTIC DEI IN THE MORTGAGE INDUSTRY

More than statistics and industry recognition, this is a movement of minds, hearts, practices, and opportunities.

Join the vanguard of Diversity & Inclusion in the Mortgage Industry. Here you will find the opportunity to lead with like-minded professionals and learn from one another's expertise about how to challenge and change the status quo—first in your own organizations, and then by sharing your learnings across the industry.

## There Is Power in Community

AMDC provides you with three strategic channels for joining a community that supports one another, opening up opportunities in the mortgage industry for the growth of authentic DEI initiatives and providing organizational and personal growth.

The **AMDC**Council leads the way at the company level, making change from the top-down in their own organizations, including robust member benefits for networking, education, and thought leadership.

The **AMDC**Community is a grass-roots effort in evolving the status quo into one that embraces and celebrates DEI with strategic vision, mentoring, and networking.

The **AMDC**Certification provides the knowledge and common ground to make a lasting impact, teaching you how to provide both careers and homeownership opportunities to minority communities while increasing your ROI.

This community gathers throughout the year to fortify each other's efforts, to grow in knowledge and partnership. You will benefit from regular webinars, bi-annual events, online communities, and consistent educational opportunities.

## Industry Insights

Learning brings growth. AMDC provides you opportunities to discover new strategies and initiatives to increase DEI in the mortgage space and improve your business. You can stay up to date through your subscriptions to the Five Star magazines and the AMDC quarterly newsletters, along with member-exclusive webinars and classes.

## Making an Impact

We all have areas where our business is stunted in growth, areas that DEI will expand our potential and our ROI. And we have all witnessed the harm done by the lack of DEI in our workplaces, to ourselves and others.

The time for change has come. From both the top down and the bottom up, we must all be committed to seizing the opportunities that DEI provides. AMDC provides you with the tools you need to make change, the support of colleagues in the industry, and the credentials to have your voice heard.

We are building a community that holds each other accountable for achieving the small and the big goals that will make the mortgage space authentically diverse, equitable, and inclusive. Join us!

## Opportunities for Thought Leadership and Industry Recognition

When you join AMDC, you will have multiple opportunities to serve and amplify your voice. Whether you find your footing in our Advisory Council, or on one of our key committees, a speaking position at an event, or an interview for a Five

Star publication—we have multiple outlets to increase your exposure, thought leadership, and impact in this important movement.

## Education

The **AMDC**Certification provides a complete picture of how leveraging DEI will increase homeownership and business. You will learn how to fulfill those opportunities through marketing and outreach. You will discover the statistics on the means for building your business strength through DEI. And you will learn how to walk that walk authentically, collaboratively, and effectively. This certification will provide you with the tools and insights needed to encourage others to join us in our shared mission of amplifying DEI within the housing industry.

The educational opportunities continue throughout the year through regular Master Minds and webinars, as well as access to exclusive discounts on Five Star Academy courses.

## AMDC Gatherings

We have two annual events—the Spring and Fall D&I Symposiums—to gather, learn, and bring back the knowledge and strength necessary to continue our individual vocations.

AMDC members get exclusive access to AMDC Exchange, receptions, and member meetings. Of course, your membership comes with discounts to all Five Star events.

To keep these bonds strong, we have regular webinars, and the AMD-Communities will meet in Master Minds more frequently, to provide you the support you need to achieve your goals.
